Message from the Commadore,

Can you believe this is still winter? I think everyone is trying to get their boats in shape with spring housecleaning, tune-ups, painting and restocking. If you haven't paid your '06 dues, they are officially late. But, better late than never, so get them in. Theresa is hard at work preparing the Membership roster and Corwon and Jim are

securing the advertisements that go in it. Remember it's not too late to help support your club and advertise your business in the Roster, see Corwon or Jim.

It's going to be a busy month for the yacht club. We will have our Past Commodores party on Saturday, March 18, followed the next morning with Bloody Marys and the Barge Work Party at 10:00 AM. Remember many hands make for lighter work. Please Help!!! The following Saturday, March 25, is the Chili Cook-Off at the Callville Lounge. Start getting out your favorite Chili recipe and come join the fun. Bump says there will be great entertainment and would really appreciate our support.

Progress on the yacht club is moving slowly. We are waiting on a response from the Park Service. Once approval has been granted, things should move quickly with everything else in place and ready to go. The next board meeting will be April 4th at Rae's Restaurant Lounge. The board meetings are open to all yacht club members and I would encourage all to come and hear what's going on with our club. After the meeting we usually stay for dinner and socialize. See you there and/or at the lake.

Tom Scherer

THE "POTLUCK" REPORT..

As usual the February 25th potluck party showed how excellent our members' culinary skills are. It's just amazing the array of dishes that were brought and plenty of them, too. Fifty-nine members and prospective new members attended this party and no one went home hungry! The price was right and the drinks cheap (byob).

This was a party hosted by everyone. Geno Hill stepped right in and bartended and you know he's had experience. Irene Jones had some music she wanted played, but not too sure about her choice!!! Chuck Kruse, our new treasurer, handled the ticket sales—both dinner and raffle—and does he stay right on top of everything...you bet. Sold many, many raffle tickets and made a substantial profit, he's almost as good as Marcia Krause!

Louann Fitzgerald and Joan Kilburn were great helpers, Joan in helping me put the yacht club together for the party and Louann doing what she does best—organizing the food line and just paying attention to those details.

The raffle was conducted without a microphone, but

thanks to Corwon Finley, the crowd somewhat quieted down for the numbers to be heard, even though repeated numerous times. Before the raffle began I asked Yvonne & Bob Smith what they'd like to see as a raffle prize—smart Bob says a trip to Baja—Oh sure, so I said how about an electric security shredder that shreds credit cards and Yvonne says—yes, she would like one of those—so guess the first raffle number drawn was for the shredder and who won...Yvonne Smith! Amazing! Other winners were Marty Schwartz, Anita Cotroneo, Al Garraway (twice), Judy Dobbins, Mary Beth Weinberg, Howard Waite and Judy Dobbins.

Thank you all for being such excellent cooks and such good sports. It was fun. I have to give a special thanks to Marilyn and Chuck Kruse for helping the next morning at 8am no less, to clean up and dispose of all the garbage and put the club back in order. Marilyn says our vacuum cleaner sucks and she may have to replace it—do you think she'll clean the yacht club each month?

Meet Commodore Tom Scherer and his wife, Clevelle

Cont'd from Feb. Waterlog. Somehow page 2 was not printed, so here is The Rest of the Story..

While raising their children, Tom got his Masters in Counseling from Westminster College in Pennsylvania. Along with teaching, he started his own landscaping business, T&J Landscaping, Inc., which he ran for twenty two years. After teaching 34 years of Algebra II, Geometry and Computer Programming, Tom retired. Clevelle also retired after teaching 25 years of middle school art at Glenwood JHS. Together they moved to Henderson seven years ago. Wishing to make new friends they pondered joining a church group or a boating yacht club. The yacht club won out, which has brought them to this point, finding many new and true friends.

Since arriving in Henderson, Clevelle has taken a job at

Thorpe Elementary School and taught there the last six years. She again retired this past August. Together they purchased a Fun Country rental houseboat which had been sunk. Tom remodeled it and two years ago they sold it and bought a Stardust Houseboat. Naming it *Scherer Delight*, the boat was in good shape, but again Tom started remodeling. Even though Clevelle has retired again, Tom has accepted a job at Greenspun JHS teaching Computer Literacy.

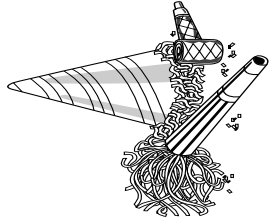

Tom and Clevelle say they are looking forward to serving the yacht club members. They say it should be an exciting year and looks like all the hard work from the yacht club members in past years is finally paying off with construction of the new yacht club. They say it will be a pleasure working with all their new friends.

1. Kathy Keith is our new Sunshine Girl, so please give her a call if you know of a member who needs a cheery wish or two for a hospital stay or recovery from an injury, etc., etc. You can even send a card yourself. Tere Hill is recovering from minor surgery and Stan Baldwin has been at John Wayne Cancer clinic in California going through some serious treatments for Melanoma. Mike Pearce is resting at home with Walking Pneumonia as well as Monna Angell from back surgery and Tracy Enzwieler from minor surgery. We wish Tere, Mike, Monna and Tracy a speedy recovery and our prayers are with Stan for great results.
2. A reminder to our members that have a prospective member they would like to sponsor – they have to attend a meeting or party before the board can vote on them.
3. Gary Chimko has volunteered to be our Webmaster and set up our website so it can be accessed for current information. Thank you, Gary.
4. Stu Forsberg has an idea for the decking on our barge so there will be a barge cleanup project on Sunday, March 19th at 10am. Come on over and give a helping hand. Brent will be serving the bloody marys.
5. The monthly hosts have been very organized this year in giving the waterlog editor all the info for the upcoming parties—in fact some are 2 months ahead!!! Very good.
6. An update on Ed Oliver and Diane Nelson—Ed is in the clear and Diane is soon to start daily radiation treatments, so hopefully continued results for Diane and we'll see them both soon.
