Message from the Commodore,

Winter has done it's best to hang on but it's finally beginning to give way to Spring, with Daylight Savings Time now officially activated and lake temperatures rising. I personally cannot remember a colder winter in my past 13 years living in Las Vegas. And in the face of the alleged "Global Warming", I am ready to see summer arrive.

March is always a busy time at the LMYC with Roster preparation and parties at hand.

On the 24th, we have our traditional Past Commodore's Party hosted by the very capable team of Tom and Clevelle Scherer with Callville Bay's Annual Chili Cook-Off scheduled for the 31st.

Bump Elliott was a welcome guest at our March 6th Board Meeting and Bump's words were also very welcome and comforting to those in attendance. It was great to hear the sounds of a fresh beginning for Callville Bay and the Lake Mead Yacht Club. Truly, I believe that this year we are all on the same page.

Yours truly made it through parathyroid surgery last week and I am resting comfortably in Orlando FL with MB and her family.

This year is shaping up to be another great one for the LMYC and I'd like to welcome all of our new members and renew old acquaintances' with past members. Welcome Aboard to all.

Gary Weinberg

Best Wishes

to Mr. Gary Weinberg, Commodore
for a speedy recovery from your recent surgery.

Comments from Your Editor...

I would encourage all of our members to make note of the following dates for the Callville social calendar:

March 17 - St. Patrick's Day Party
(In the Fountain Lounge)

March 31 - Chili Cook-off
(Please notify Bump Elliott @ 274-8794
for a reservation to secure a spot.)

April 14 - Earth Day (General clean-up at the Marina and related beaches.)

Our participation with Forever Resorts in their activities will ensure a good working relationship between our organizations.

At the business meeting last Tuesday, there was an extensive discussion in regards to the distribution of the monthly Waterlog. The Waterlog will be posted on the Lake Mead Yacht Club website. Those of you who would like to have the Waterlog mailed to you, please call me at 274-7780 or Joan Kilburn at 274-7770. The objective is to reduce the clerical time involved for printing, postage, labels, paper, trips to the post office, etc. that must be completed in order to mail out over 100 Waterlogs each month.

As all of us know, the modern features of the Internet and e-mail facilitate the rapid movement of information. The Lake Mead Yacht Club is attempting to disseminate more information in a more timely fashion. It is not the intent to keep information from the membership, but to make it more readily available. The question of "What's happening at LMYC?" should be addressed by "Did you check the website?"

Joan and I, as your editors, will work diligently to distribute all information and there should be no reason for someone to say "I didn't get my Waterlog so I don't know what's happening".

POTLUCK PARTY REPORT

We are just so fortunate to have such great cooks in our yacht club, everyone out did themselves and the Garraway's & Bily's thank everyone for their contributions. The weather was excellent, Jeff had his music, Al Garraway bartended, Marcia Krause managed the ticket sales & you all know that went well – she just doesn't miss anyone! Duane Bily collected the money and Pat Bily made sure all the crockpots, etc. were plugged in and kept hot.

Pat and I (Mel) thank our set-up and decorating crew Marcia Krause, Pat Butterworth, Al Garraway and Gene Krause for their help Sat. morning. We managed to have a few red hearts scattered around the club house with red table cloths, etc., do-dads hanging from the lights and heart chocolates all over the place.

The raffle went over well with Cindy McClure, Anita Cotroneo, Shelley Misner and her relative, Kathy Keith, Joan Kilburn, Judy Dobbins, Sally Gatewood & Bonnie Jeu all winning. Bonnie, of course, won 2 but gave one to someone who said – "Oh, I wanted that"...also, two guests from the Overton docks were lucky winners.

The party was very sociable and as the evening progressed we had a few more Overton folks

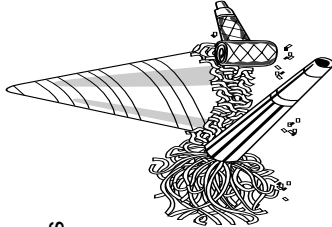

arrive. All seemed very friendly and enjoyed themselves. Thanks to Jeff Misner for the music. Thanks to Evan and Mike Pearce, Sally Gatewood, Joan Kilburn and Jim Lang, Gary & MB Weinberg for Sunday morning clean-up, which was a snap since most of the decorations, glasses and steam tables were done on Saturday night. We had 50 paid dinners. In the past we have had a few more at this annual potluck, but I think some forgot to go to the website and check the calendar for the coming events. Thanks again to all you great cooks!

*Your coordinators,
Mel & Al, Pat & Duane*
