## Message from the Commadore,

For your 2004 Officers and Trustees it's "down hill" from here. That is, only on the calendar, not in our effort to continue to do the jobs you elected us to do. A quick look at the calendar shows us we have a lot to do and not a lot of time left and it is this time of year we need your input more than ever. With the Lobster Bake this month and the Luau next month,

you know it is time to start planning for the 2005 slate of officers. Now is your chance to really provide your input. I will be appointing a nominating committee, which will provide that slate of officers and trustees for the election in November. I am looking forward to receiving your notice that you will serve. Speaking of serving, there seems to be no end for some of our members.

There has been an ongoing request from the membership for a First Aid/CPR and AED (defibrillator) class. There has been a concern that NPS Concession Services Regulations could prohibit this class from being held at the LMYC facility when a fee for services is charged. As usual a volunteer member has solved that problem. Thanks to John and Kathy Keith for providing their residence, we now have a class scheduled. Look for the notice in the *First Class News* section. Thanks to Randy and Nancy Jordan we now have some new sound equipment for the LMYC facility, and thanks to whoever donated the new amp. We are looking forward to seeing you at the National Marina Day celebration. The LMYC will be represented at the Las Vegas Boat Harbor information booths. And then there is Sinni Richardson's birthday party and the Lobster Bake. Life is Good!

# Castaways Party 2004 is a big hit

In spite of the water being off and the heat rising in the yacht club due to the move, Dean and I battled tape adhesion, wet clothes, and a few irritable moments. All in all, we were glad we had prepared the food prior to the party, and we were able to steam it up with our dear friends.

We have enjoyed every moment with all the great people since we joined the yacht club. Special thanks to our sponsors and great friends, Bob & Yvonne Smith for not only introducing us to the lake, but also for our yacht club family.

We sincerely appreciate the donated hors d'oeuvres prepared by Don & LouAnn Fitzgerald & M.J., which were presented for cocktail hour. We missed their presence Saturday night, as all were sick from heat exhaustion. You were missed.

Thanks to Jim & Joan Lang, and Tom Tedder for helping us to put back up the wind-blown patio decorations after mother nature's Friday night heave ho! We came up short on tape and thanks to Mary Beth Weinberg & Tom Tedder who saved the day by bringing us more.

Barbara Tedder, and Jim & Joan Lang are a lifesaver for all their help to set up for dinner. The many palm trees added a great island feel, and I'm sure the DJ was appreciative of the umbrella all in use from Bob & Yvonne Smith. Last, but not least, we really have to thank those who helped behind the bar. Then Gina & Kirt Finley took over and served up great tasting cocktails the rest of the night as we forgot to call for bar servers. OOOPPPS!!!

Sixty-nine dinner tickets were sold and raffle ticket sales were spectacular. Nancy Jordan won four times and forfeited her fourth win by giving her clock selection to a gratifying Howie & Bea Waite. For those of you who left early, Nancy would like to thank you for the extra raffle prizes! HA! HA! Howie Waite won twice. With the help of his coach Bea, she selected just what she wanted: Howie, What a guy! Other winners were: Bobby McNeil, Jim & Joan Lang, Bob & Yvonne Smith, Gino Hill & Tere, Bob & Sally Gatewood, and a couple of others we fail to remember due to pre-senior moments!!! Thanks to Bill Bauer for

donating two of the raffle prizes which went over great, and sorry to miss Tamara who was ill. Steve Jones, as always, a great job done on the selling and tallying even with "THE BITE OF THE SPIDER"; we're glad you were able to make it and that you're healing well! Again, thanks to LaDonna Cole for her fabulous pictures and the hard work that goes into them!

We would like to thank Billy Mac for saving the night by seeing the red light on the sewer box and shutting it off, and by allowing us to continue partying in comfort and style!

There was only one injury: Bob Gatewood - remember to pick up your feet next time. Bob is healing nicely.

We had the LMYC island rockin' thanks to Wayne from BJ's Entertainment. The entertainment was complete as Barbara Tedder pole danced, many dirty danced, chain danced and even a bone and a bird in a bush which was passed around the dance floor many times; thanks to John & Kathy Keith. Dean Granzow was lured into gracing us with his infamous chair dancing in between his MC work; which I might add he did very well, nervous and all.

The three best-dressed prizes were given to Randy Jordan who was an All American Pirate, John & Kathy Keith who were paired as Sea Treasures, and Earl Stitt who portrayed Chuck Noland in Castaways. Earl definitely knows how to deliver a FedEx package. All LMYC members looked great and a job well done.

In the wrap up, we were gifted with a helpful 30-minute cleanup. Thanks for the great response from: Bob & Sally Gatewood, Jim & Joan Lang, Bob & Yvonne Smith, Tom Tedder, Tom Scherer, Corwon & Debbie, Bob & Kathy Cox, John Keith and Nancy Jordan. Thank you all so much and we hope you had a great time with us. Oh, by the way, Tom Scherer has used his overwhelming influence to book us for a February return engagement. Thanks again, Tom!!!

We apologize in advance for anyone who may have been left out. If so, again you can chalk it up to pre-senior moments!

*Love Ya!*

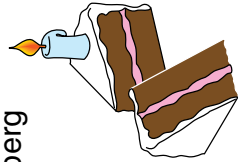

*Dean & Sheryl*
