Message from the Commadore,

At the August meeting of the Board of Trustees, Mr. John Keith was appointed to chair the election committee which has the responsibility of providing a slate of officers and Trustees for the

upcoming year of 2006. Mr. Keith announced that his committee consists of Mr. Dave Dobbins and Mr. Ed Oliver. It should be obvious at this point in time

that the future course of our yacht club is dependant upon the leadership of its officers and trustees. I would appreciate

your help or suggestions be given to Mr. Keith on possible yacht club members that you feel would be good officers or Trustees. The slate of proposed candidates must be posted by October 1, 2005. It

should be noted that consideration will be given to the suggestion that past Commodores could be candidates for the Trustees position. We all know that new members bring new ideas and become the life blood of the organization. We also need the balance

of our seasoned past Commodores as the "backbone" of the organization to execute the plans of the future. Now is the time to consider what your

commitment will be for the upcoming year.

A quick update on the progress with Callville Bay on the new yacht club. Mr. Randy Roundtree has given the Government Affairs Committee a letter identifying the cost components of the new platform for the building. The Committee will be reviewing his proposal and will report back at the October meeting. There are many elements to consider as part of this undertaking and a master plan needs to be developed with all the financial implications included. Progress is slow but we all know that persistence will pay off "big time" for the future of our club.

1. The nominating committee, headed by John Keith, is putting together a slate for the October Waterlog and if anyone is interested please call John @ 242-2785. We have a few positions to fill and would appreciate you stepping up and filling them. These are not hard positions and require a meeting once a month on the first Tuesday and your input into the operations of the yacht club. Thank you.
2. Bump Elliott from Callville Marina attended the meeting and informed the membership that they are having a very big bass fishing contest the 19th thru the 25th of September and are setting up a houseboat at Hamblin and will be serving lunch, etc. so he said drop by and have lunch on them. Also, the weekend of Sept. 10th, the Travel Writers of America are having a huge fishing tournament with 140 entrants and around \$10,000 for first place. Callville will be jumping.
3. Sorry to see Dean Granzow resign as facilities administrator for personal reasons. He will be replaced by volunteer Bob Cox. Thank you, Bob.

2005 Drunken Lobster Party Report

The First Annual (Ever) Drunken Lobster party was a tremendous success. A very special thanks to the lobsters themselves for providing a little happy hour entertainment for all that cared to view bubble blowing lobsters in a pool of Pinot Grigio. Thirty minutes into the action, a few of the more active lobsters could be seen literally shoveling handfuls of wine into their mouths providing some huge laughs and shouts of, "look at that lush". Which, as most of you know, is not an uncommon chant at a Lake Mead Yacht Club social event and was indeed heard several times and long after the lobsters had been devoured.

As is the case with most Yacht Club parties, much effort by many tireless souls is needed to pull off a successful event. Marilyn and I both wish to extend a sincere "thank you" to all of the wonderful friends that helped to pull off this stellar event in what truly seemed to be a flawless party. As well, without a terrific general membership attending this party, it could never have been considered a success at all. Turn out was tremendous.

We extend a very special thank you to Marty and Georgia Schwartzer for ordering and delivering the lobsters, enlisting the services of Art and Bob for the preparation for the lobsters as well as providing the burners and coolers for cooking and holding for service. Tere and Geno Hill for procuring the T-Shirts and Floozie Coozies including gluing the feathers onto the coozies as well as helping with the decorating, set-up, shirt sales and raffle host. Mel and Al Garraway for their help with dinner service and the very best Ichiban salad this side of Mount Fugi. Jim and Joan for help with setup, decorating and teardown. Pat Butterworth and Adele Thompson for manning the gate and collecting the money and Evan Pearce for an exceptional evening of raffle ticket sales.

We can't forget Gene and Marcia Krause for the fine pricing they gave us on the excellent fillets—they were very tasty and again to Marty for hauling the pots to and from the yacht club.

Due to the efforts of the Callville Bay staff and management, especially the food and beverage manager Larua, set up for the party went very smooth. They coordinated with the club to tear down after the party and had all of the tables and chairs up and in order Saturday morning before the set-up crew even arrived. Thank you, Laura.

Our DJ for the evening, Bob Sloan did a terrific job at keeping people on the dance floor even though the lack of any breeze at all pushed most people to their seats (or the

bar) at least a time or two. The weather was as perfect as possible for a Hot August Night of wining and dining.

A special thanks to Brent Thompson for talking me into getting 72 perfectly sober lobsters drunk at least once in their lives prior to reaching the big buffet in the sky. Yes indeed...I had been drinking at the time.

Lastly, thank you to my wife, Marilyn for being so damn organized. You made the party a breeze. As for the raffle prizes, you are truly the master of the HSN and QVC shopping deals.

*This was truly a smoothly run "drunken" lobster affair—the food was excellent, the chef's did a terrific job with Chuck as the master chef and hostess Marilyn had her jobs under control. They also **donated** all the raffle prizes, and there were some mighty nice ones. Thank you Chuck and Marilyn for the donations and for hosting this party, and thank you Chuck for this report.*
