Message from the Commadore,

Congratulations to the new board and thanks to Al Garraway and Bob Gatewood who handled the election and balloting. The results are in the Election party report.

Randy Roundtree has sent a letter to the Park Service requesting permission for the yacht club to go ahead with the replacement of our existing building. We are awaiting their response. If you would like to see this letter, please see me or one of the officers.

The marina is moving the gas dock and needed to disconnect the yacht club's electric. It should only be for 5 or 6 days and hopefully by the time you read this it will be up and running again.

December 2nd brought the Xmas Parade of Lights with unkindly winds, so the boats had to be judged at the docks. Our yacht club was well represented winning nine trophies and many members were there at dock side wishing the boaters well.
