From the Commodore,

How about that Luau 2002! Big thank you to John and Kathy Keith and crew for a great party. Also the members that pitched in to load and unload plus set up all the equipment for a party of that size. Everyone must have enjoyed the great weather, plus the cruise to and from the party. The longer cruise gave us a chance to blow the carbon out of our motors and the dust off the deck.

Well, I met with Randy Roundtree (General Manager of Callville Bay) Wednesday the 25th of September. He informed me that the marina is in place other than a few minor adjustments, plus he needs a couple of days to anchor the new rental house boat dock. With the house boat dock in place, Randy will be able to set the anchors and move the club house - weather permitting - by the 4th of October. Randy said the location will be very close to where we were before all this moving around started. At this point we have to get installation approval for our utilities from the park service maintenance dept., then we will be back in business for another 20 feet. We think we have problems, look at what is happening to Las Vegas Bay Marina? They have to move their marina 12 miles which makes our moving problem seem less troublesome. See you at the lake.

Brent Thompson
Commodore

----- VERY IMPORTANT NOTICE -----

Please note that beginning November 5th, our meetings will be held at CARLUCCIO'S (Liberace Plaza) 1775 E. Tropicana, Las Vegas at 6pm.

Yacht Club Clean-up and Move

Saturday morning, September 7th fourteen members helped clean up the old docks that used to meet up with our clubhouse, then on Sunday most were back again to help move the clubhouse away from the shore. Thanks to Brent & Adele Thompson, John Keith, Corwon Finley, Geno Hill, Bob Gatewood, Billy McAlpine, Tom Scherer, Max & Pat Butterworth, Al Garraway, Gary & Mary Beth Weinberg, Marty Schwartzer and Mike Pearce. It's been a hell of a year and the cooperation from the members has been great.

A SYMPATHY NOTE

The membership and board of the Lake Mead Yacht Club wish to extend their deepest sympathy to the Ron August family. Ron unexpectedly passed away in September.

GET WELL WISH

Trustee Dick Crider recently developed some heart problems, the board and members all wish him a speedy recovery.

LUAU 2002 REPORT

Boy, thanks to mother nature and all of you we all got lei-ed at the glorious Glory Hole. The weather could not have been any better, with all of the hard work from many of the members and friends, we served about 165 dinners Saturday nite. The Friday nite potluck started about 7pm and what a procession of members and guests bringing their dishes from their boats to the tables that were set up earlier by John and Kathy Keith and their crew. Everyone out did themselves as usual on the potluck as it was *goood* and plenty of it.

Each year member Gene Krause's Desert Gold company makes sure we have the best food possible and also takes care of transporting it as well as all the ice we can possibly use (1300 lbs. of ice!!!) Member Judy Dobbins of Desert Gold also helps with the food selections. This is certainly a big help in organizing these Luau's. Saturday morning found a lot of the men boating into Echo Bay to unload the Desert Gold truck and while the boys were gone the women were buzzed by a couple of "fly-boys". Coming in over the mountains into the cove this small jet appeared, swooping down over the water taking pictures – I do believe they got a good shot of one of our members mooning them, with the initials MS!! But the girls were too chicken and wouldn't flash - only waved a few leis. After the pictures were taken the pilot tipped his wing and off he went. Member Earl Stitt, a pilot himself, was in the plane but not flying it. In the meantime, Capt. of the Fleet Jim Lang is directing traffic, getting all the boats lined up and doing a super job watching for the next boat to arrive.

John and Kathy would personally like to thank the following and hope they do not miss anyone. Bonnie Jeu, Joan Kilburn and Jim Lang for selling wristbands and raffle tickets. Where would we have been without Corwon Finley and Debbie Graham hawking the t-shirts and wears. Steve Thielman made sure that we all had too much libation by furnishing our wonderful bartenders Susie and Wanda with all the spirits. Mel Garraway and her countless crew (she said she needed all the help she could get) made us all think we really were in the Islands. Everyone sure wanted the raffle prizes that Bob Gatewood got for us. Once again Marty Schwartzer came thru with towing the barge full of tables, chairs, lights, grills, etc., etc. What would we do without the famous bondoliner and Marty's houseboat?? Dave Lyden, Dale Clark and Tom Scherer made sure that everyone had too much tri-tip and chicken along with the Ohio group pitching in. Thanks Corwon Finley for being one of the few able to take our great D.J. Cody back to Echo Bay after we all danced till our feet hurt. Dave Dobbins and his crew made sure that we could see to get back to our boats with all the great lighting. Believe me, we all needed the help from having too much fun. Ray Gries made sure there were good heads to accommodate all. In addition we had new LMYC signs shining in the full moon, also made by Ray. His talents seem to never end.

Speaking of talent, the "decorate your spot" contest was a huge success. The beach area in front of some boats looked like a paradise

island. It was amazing - grass, picket fences, flowers and even some kind of plant that has baby pineapples on it was growing in front of Bob and Joanne McNeill's space who were 1st place winners with Dick Crider and Sandy Keaton taking 2nd place. This contest really added to the whole concept of the luau theme and helped the decorating committee immensely.

The bloody mary Sunday morning breakfast rolled around fast with many heavy heads that Geno Hill, Brent Thompson, Lynn Prescott, Ray Gries and Kathy Keith seemed to help with eggs made to order, ham, hash browns and toast to soak up the previous nights fun.

We feel the luau was a great success and would like to personally thank all of you once again for all of your hard work. There is no way we could have done it without each and everyone of you. *Vice-Commodore John Keith and Kathy Keith.*

On a note from this editor: I need to relate a short story about Marty—you see he also tows the barge back to Callville loaded with 3 days of garbage, all the tables, chairs, left over booze, etc., etc. – the barge is loaded – now he did this by himself... "Dat Damn Boat" and the barge and Marty. So on his way he encounters a cry for help from a small boat that had run out of gas – to the rescue, he leaves the helm, gets 5 gallons of gas, a qt. of oil too, gives a salute and off he is again, slowly moving towards Callville. Now that is a true LMYC boater—I think he would have towed the little boat back too, if he couldn't have supplied them with the gas and oil...

Thanks to John & Kathy Keith for all their work putting together this 2002 Luau.

* * First Class News * *

1. Please note that the entrance to the Halloween Party up at the tent at Callville will be thru a haunted house constructed by Ray Gries and if you were at the luau and saw his out house!!! Watch out...
2. Facilities Administrator Tom Scherer announced that the clubhouse is still floating and is like a storage facility now, as there is no power, water or sewer, just lots of stuff inside.
3. Corwon Finley informs all that he will have more shirts soon and has been working on an inventory of new items. He will have a new line of fall and winter clothes samples at the Halloween Party.
5. NOTE FROM THE SHIP'S STORE—Corwon says that some members and guests at the Luau asked that shirts be held for them. If you are one of these people, please call Corwon at 367-2888 if you want your shirt, or see him at the Halloween party. If he does not hear from you they will go back into our inventory.
