## Message from the Commadore,

The month of April is the time we honor all those past commodores with special recognition for previous commitments to the Lake Mead Yacht Club. I believe that one of the most distinguished accomplishments of our social organization is the number of "active" past commodores that continue to attend meetings, assist with social functions, and probably the most important, provide the continuity and the expertise that is needed to keep the organization moving forward. On behalf of the current officers and trustees, I extend our appreciation and thank you for the continued dedication.

The Chili Cook-Off sponsored by Callville Bay Marina on March 26, 2005, was an outstanding success for the Forever Resorts Management. Thanks to the strong participation of many LMYC members, we have once again made our presence known to the Management. This support from our organization to Callville will be beneficial as plans continue to evolve for our future facility. To all those that participated and attended this event, I say thank you.

Our 2005 Roster will be forthcoming very shortly. I appreciate the members patience for the delay. Your officers this year decided to expand the number of advertisers in the roster with four color page and half-page ads. Mr. Corwon Finley (past commodore and possibly referred to as Marketing Director for his efforts), recruited all the new advertisers and turned our one time roster printing expense into a profitable revenue center. Corwon has done an outstanding job and continues to contribute his energies to our organization.

Remember to mark your social calendars for the upcoming events as listed in this waterlog. May is the traditional beach party "Margarita Party", and June will be the joint sponsorship with Callville for the Annual Poker Run. As you may remember, Mr. Geno Hill was the originator of this event and he will continue to lend his expertise as we make this a well attended and profitable event for your Yacht Club.

A final word on the lake level,  
"WATCH OUT FOR THE BELOW  
WATER HAZARDS (Rocks)".

# 2003 Recreational Boating Statistics

U.S. Coast Guard statistics released this week indicate 86 percent of all boaters who drowned in 2003 were not wearing life jackets. In addition, alcohol involvement was a contributing factor in approximately one third of all reported recreational boating fatalities.

More than 95 percent of boat owners report having enough life jackets onboard for all their passengers, however 66 percent of them do not wear their lifejackets every time they go out, according to a Coast Guard study conducted in 2001 and 2002 involving more than 25,000 recreational boaters.

"Boaters need to be responsible for the safety of themselves, their passengers and other boaters," stressed Rear Adm. J.W. Underwood, U.S. Coast Guard director for operations policy. "This means not only having life jackets on board but requiring your passengers to wear them all the time. You never know when an accident will happen that will prevent you from reaching for and putting on for that lifejacket."

The statistics also show the leading contributing factors in boating accidents are operator inattention, carelessness/reckless operation, operator inexperience, and excessive speed. Eighty percent of those who died were onboard boats whose operators had not received boating safety instruction.

There are still far too many deaths, injuries and accidents," he continued. "The key is education, which is why the Coast Guard's Office of Boating Safety has joined forces with a number of recreational boating safety partners to launch our 'You're in Command. Be Responsible. Boat Safely!' initiative."

Recreational boating fatalities were down 6 percent from the previous year, continuing a 12-year downward trend. The 13 million registered boats in 2003 represent two

million more registered boats on America's waterways than 12 years ago.

For additional information boaters can call the U.S. Coast Guard Infoline at 1-800-368-5647.

## \* \* First Class News \* \*

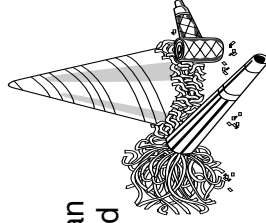

1. Chili Cook-off at Callville on March 26th saw the winner out of 20 entrants being our very own members Jennie and Donnie Dermer - this is Dave Lyden's son-in-law and Dave says he used HIS recipe even though Dave entered himself and didn't win!!! Also, Clevelle and Tom Scherer entered as well as some sons and daughters of our members. Nancy Jordan's daughter, Erin Mulligan and Scherer's son, Chris Bennett as well as members Russell Patrick Kelly, Paula Clark and Roger Wright. It was a good representation from our yacht club, thanks to the above members. A lot of yacht club members also attended, getting a thank you from Callville.
2. Dean reported the ice machines are now back in order thanks to Marty Schwartzer.
3. May is Margarita Party Time on the 21st (not on

Memorial weekend as in the past as the beaches are scarce) so mark this on your calendars. Commodore Jim and Rear Comm. Gary Weinberg are actively looking for a beach. The lake is up 21 feet and the beaches are not there, so hopefully they will have found one by next publication. If anyone has an idea please let Jim or Gary know.

4. Please note that our discount privilege with Tony at West Marine is on MAJOR PURCHASE ITEMS ONLY, not the small stuff and you have to show your current member card.
5. Cottonwood Cove Getaway was reported as a lot of fun but COLD, so next year the event will be at a later date in the spring. The rooms were all filled but one and the food was excellent and that is all this writer knows!!!
